

stato di fatto      SCHEDA TECNICA.3

PIANO TERRA      PIANO PRIMO      COPERTURA

This block contains architectural drawings for the 'stato di fatto' (as-built) condition. At the top, the text 'stato di fatto' is on the left and 'SCHEDA TECNICA.3' is on the right. Below this, there are three floor plan diagrams: 'PIANO TERRA' (ground floor) shown as a red square with a yellow entrance, 'PIANO PRIMO' (first floor) shown as a red square with a yellow entrance, and 'COPERTURA' (roof) shown as a blue grid. Below the floor plans are four elevation drawings in yellow: two showing the front and side elevations of a house with a gabled roof, and two showing the front and side elevations of a house with a flat roof.

stato di progetto      SCHEDA TECNICA.3

PIANO TERRA      PIANO PRIMO      COPERTURA

This block contains architectural drawings for the 'stato di progetto' (project) condition. At the top, the text 'stato di progetto' is on the left and 'SCHEDA TECNICA.3' is on the right. Below this, there are three floor plan diagrams: 'PIANO TERRA' (ground floor) shown as a red square with a yellow entrance and red dimension lines indicating a width of 350 and a height of 350, 'PIANO PRIMO' (first floor) shown as a red square with a yellow entrance, and 'COPERTURA' (roof) shown as a blue grid. Below the floor plans are four elevation drawings in yellow: two showing the front and side elevations of a house with a gabled roof, and two showing the front and side elevations of a house with a flat roof. A red dimension line on the left side of the first elevation drawing indicates a height of 350.
